Dear Bugatti Enthusiast's,

In keeping with tradition, the EBA are once again organizing the Bugatti Festival in Molsheim. We all expected this 39th edition. Today, we are pleased to offer you the program outlined below. Your board of administrators has carefully constructed it, with his customary Enthusiasm to bring you together, around the Bugatti's, in Molsheim, the homeland of the Pur-Sang.

Together, we will be able to celebrate the memory of the “Patron” who left us 75 years ago, and the development of the «type 29».

The “Enthousiastes Bugatti Alsace” invite you, to fill your application and to join us in Molsheim, to participate at the 39^{ème} Festival.

The President
Gérard BURCK

The full program is available in the attached registration documents.
